

## **ORANGE COUNTY ENGINEERING COUNCIL**

### **2018 Engineers' Week - Honors and Awards Banquet**

**February 24, 2018 (Saturday) 5:00 pm-9:00 pm**

**Venue: To be announced.**

Dear OCEC Members, Engineering and Science Professionals and all Affiliated Organizations:

As most of you know, OCEC organizes an Honors and Awards Banquet every year in February during the Engineers' Week. At this event, we recognize the best of the best engineers, scientists, educators, students, and projects from engineering and scientific corporations, professional societies, educational institutions, governmental agencies, STEM Program affiliates and individuals dedicated to serve our professions, in and around Orange County.

You are invited to nominate deserving engineering colleagues, peers, students, academicians, and projects for the prestigious OCEC Annual Awards. Attached are two nomination forms to submit your nominations for projects and individuals separately. The due date is December 15, 2017. All nominations must be submitted electronically to [ocec.nominations@gmail.com](mailto:ocec.nominations@gmail.com), on or before the due date.

As each of you belong to an engineering corporation, academic institution or governmental agency, I request you to share the nomination forms with other divisions to submit multiple nominations from your organization.

Please visit OCEC web-site: [www.ocec.org](http://www.ocec.org), for additional details. We look forward to receiving your nominations. Thank you.

C.T. Bathala, Ph.D., P.E., F. ASCE  
OCEC President
